## ATTENTION

-The USB devices listed above have been tested for compatibility with MONTAGE, however Yamaha does not gurantee proper operation of such devices with MONTAGE. Yamaha also takes no responsibility for any damage or inconvenience caused by the use of them.

-MONTAGE is USB 2.0 compliant.

-The specification of the USB devices listed above is subject to change for certain reasons of manufacturers. Please note that they may not operate properly with MONTAGE depending on the changes.

-For detailed specification and information on the USB devices listed above, please contact the manufacturers of them.
